MAY BOOST PRICE OF GAS TO $1.70

Autos May Park on King Street Thirty Minutes

ADOPT TRAFFIC RULES

Health Officer Foulks Urges Council to Grant Petition for Eight Sewers Appropriation Bill Presented.

The price of gas may shortly be raised to $1.70 on the 1,000 cubic feet with a discount of ten cents on the 1,000 for prompt payment if the recommendation of the light committee of city council is adopted. It was referred to the joint committee on finance and light at a meeting of council last night. The prevailing rate is $1.40 on the 1,000 feet with a discount of twenty cents for prompt payment which make it net to the consumer $1.20. The new price would make it net to the consumer $1.60. Letters were read from other Virginia cities showing a higher rate than Alexandria is paying and showing increases recently made.

Councilman Wattles, chairman of the committee on light, stated that the holders at the gas plant are rapidly being repaired and that better gas could be expected within the next few days. The board of aldermen adopted the proposed ordinance to give the Alexandria County Lighting Company permission for a slight increase in its rates and the matter will be formally presented for action at a meeting of city council June 8.

Attorney Leo P. Harlow, representing the Alexandria County Lighting Company, who was present, explained to council a number of points regarding the franchise the electric company has with the city.

The new traffic ordinance was adopted after being amended by the aldermen. The amendment provides that cars may be parked on King street for a period not longer than thirty minutes and common council adopted the amendment. Persons under sixteen years of age, unless accompanied by other parents or guardians, cannot operate automobiles.

Dr. Louis Foulks, city health officer, appeared before council and urged action on eight sewer petitions. Lack of proper sewer connection, he declared was a great menace to the health of the community. The clinic he said would close the last of June and he urged it be continued in connection with a city dispensary and said he later would present a proposition along this line. He also recommended an ordinance governing plumbing. The eight sewers urged by him, he said, would connect 206 houses.

Dr. Foulks praised the highly efficient work done by his deputy, Dr. J. J. Garvey, whom he said has done his work conscientiously and efficiently.

Dr. Foulks was asked by Councilman Lawler the condition of the city water at the present time and Dr. Foulks replied that there is not a single indication of pollution at the present time and that if there is any pollution he will give proper warning. Examinations of the water, he said, are made daily.

The annual appropriation bill for $250,000 was presented and referred. This does not, however, contain figures for the schools for the years and this will be added later, President Burke explained.

A communication from the school board asking for an additional appropriation of $11,583.33 to [illegible] over for the present school [illegible] was referred to the joint committee on finance and schools.

Petition from merchants and others on Royal between King and Cameron streets, asking to be relieved of the nuisance of having express wagons and other vehicles parked on that

TRIED TO SELL DAUGHTER

Hungarian Auctioning Child to Boarders Interrupted by Police

Greensburg, Pa., May 25.—Alexander Nellis, a Hungarian miner, was arrested by Constable Jesse Patton, of Jeannette, charged with disorderly conduct and attempting to sell his daughter, Paulino Nellis, 12 years old, to boarders, the highest bidder to get the girl. A large crowd had gathered and the sale was under full swing when neighbors interfered and dispersed the crowd, many of whom were intoxicated.

Hearing of the matter, Patton procured a warrant from Squire C. M. Parker, and arrested Nellis and 3 other men as accomplices. All are said to have been drinking for several days before the sale. The little girl told a sad story of indignities she was compelled to endure at the hands of her father and the men, whom he brought to his home. Her mother is dead.

At the hearing the case was settled and the girl given in charge of her sister, Mrs. Mary Botch. The father was fined $50 and costs and ordered to pay a certain sum of money monthly to Mrs. Botch.

TO CONTINUE HEALTH WORK

Arrangements Concluded for Another Year and People Want Dr. Cox to Remain in Charge

Richmond, Va., May 26.—Arrangements have been concluded and appropriations made for a continuance of the Alexandria health unit for another year on the completion of the present unit year on August 1 next. The State Board of Health and the International Health Board have agreed to continue financial support to the county's health work on the existing basis until January 1, 1921, when the county will assume the entire expense.

Alexandria county has made such marvelous progress along health lines under the direction of Dr. J. W. Cox, field director of the State Department of Health, that citizens of the county are already taking steps to secure the retention of Dr. Cox as a permanent county health officer. A recent meeting of the Ballston Citizens Association adopted resolutions asking for the appointment of Dr. Cox for the new [illegible].

A dental clinic for the children of the county will be opened at the courthouse on July 1 by the field director for the purpose of giving attention to as many as possible of the children recent inspections showed were in need of dental attention.

TURNER NOW IN RICHMOND JAIL

Moore's Slayer Moved From Winchester by Federal Officers

FOURTH JAIL FOR HIM

Alexandria Government Officers Convey Prisoner to Henrico Today—Trip by Motor and Train

William H. Turner, colored, confessed slayer of Thomas Morgan Moore and also assailant of Miss Pearl Clark of Washington, who is secretary to Representative Fred Britten of Illinois, is now a prisoner in the Henrico County jail, Richmond. Turner arrived at that jail this afternoon where he will be kept until he is placed on trial before Judge Edmund Waddill of the United States Court for the Eastern district of Virginia.

The prisoner is now in custody of the United States authorities and was brought to the Henrico County jail by Fred G. Duvall, U. S. District attorney of Alexandria; William S. Schoeni, deputy U. S. Marshal, this city and A. S. Jackson, Norfolk, assistant U. S. attorney for the Eastern district of Virginia.

The trip with their prisoner was made from Winchester, Va., at 6.30 o'clock this morning. Alexandrians and their assistant motored from Winchester to Staunton, Va., and at Staunton boarded a train for Richmond. This was done owing to the great distance from Winchester to Richmond, which is more than 300 miles.

As already stated in the Gazette the negro was removed yesterday morning from the jail at Leesburg, Va., to a point not made public, but which late in the afternoon was known to be Winchester. The officials declined to give out the destination of the prisoner owing to the intense feeling against him.

He reached Winchester yesterday evening and was quietly placed in the jail at that place under the direction of Sheriff Luther Pannett of Frederick county, who met the Loudoun County officials who conveyed him from Leesburg.

The Alexandria officials did not arrive in Winchester until 10 o'clock last night and decided to remain over for their quarry until this morning and making the start at 6.30 o'clock this morning they arrived in Richmond, after boarding the train at Staunton late this afternoon.

The papers for Turner's transfer were drawn up by Assistant U. S. District Attorney Duvall and the customary warrant for the custody of the prisoner turned over to the sheriff. Turner's case now is entirely out of hands of the state authorities and it is expected that he will be given a speedy trial before Judge Waddill.

The date for his case will not, of course, be fixed upon until he is indicted by a federal grand jury. It is expected that an indictment, however, soon will be returned.

The trial it is regarded as more than likely will be held in Richmond owing to the intense feeling against the accused.

Under ordinary conditions this trial would be held in the federal court here.

Turner had complained last night of severe pains from his wound in the thigh where he was shot by Morgan Moore. Apart from this he had nothing further to say and he appeared to be suffering from the wound according to information received today from Winchester.

This is the fourth jail Turner has been in since his arrest shortly before 3 o'clock Sunday morning in Alexandria county. The negro first was placed in the jail at Fort Myer Heights. Next he was placed in the jail at Leesburg, forty miles away and the third jail he was placed in was Winchester and now he is in the Henrico County jail in Richmond.

The federal authorities have absolutely no apprehension regarding his safety in the Henrico county jail.

That Turner was not a victim of mob violence is due entirely to the sagacity of Judge Samuel G. Brent of the circuit court for Alexandria county. Judge Brent realizing the intense feeling against the negro entered the order directing his removal to Leesburg, Va., and the necessary papers were speedily prepared by Justice William Gloth of Alexandria county and his transfer effected without delay. As is well known Monday night a mob invaded the jail at Alexandria county and would have lynched the negro had he been found.

FUNERAL OF T. M. MOORE

The funeral of Thomas Morgan Moore, who was shot to death Sunday morning by William H. Turner, a negro, took place at 5 o'clock yesterday afternoon from his late residence 509 1-2 South Fairfax street and attended by a large throng of relatives and friends of the deceased, among whom were members of the Masonic fraternity, of which he was a member and also a delegation of machinists from the Torpedo plant and the Washington Navy Yard.

The burial service of the Episcopal Church was read by Rev. Dr. P. P. Phillips, rector of St. Paul's Episcopal Church and the body was interred in Union cemetery. The floral offerings were handsome and numerous, a whole wagon load of flowers being received from relatives and friends of the dead man.

Attending the funeral was Moore's fiancee Miss Pearl Clark, of Washington, who was with him when he was murdered. The young woman appeared broken hearted and cried throughout the funeral service. She rode to the cemetery and saw the body laid away in Union cemetery.

The pallbearers were Charles H. Callahan, Harry W. Wade, J. Edward Shinn, W. J. Eckhart, H. C. Warrick and F. H. Bradley.

The following escort from Old Dominion Commandery, Knights Templar acted as guard of honor; F. W. Latham, C. C. Lamond, Claude W. Fletcher, C. C. Batchellor, Julian Poss, R. J. Schooley, R. Samuel Luckett and A. E. West.

GEORGIA PEACHES SHIPPED.

Atlanta, Ga., May 26.—The first car Georgia peaches for the 1920 season, containing four hundred crates from Reynolds, Ga., is today speeding on its way to New York City in a special train over the Southern Railway. The car arrived in Atlanta at 1:25 o'clock this morning and after being re-iced at the Southern's Inman Yards left for the Eastern Market at 2:10 o'clock, the train being handled behind a fast passenger locomotive as a second section of train No. 36. All arrangements have been completed for the transportation of the Georgia peach crop and from now on until the close of the season, the Southern Railway will be sending special peach trains out of Atlanta every night on fast passenger schedules."

FIGHT MAY PROVE FATAL

Scranton Man Stabbed in Saloon Brawl May Die

Scranton, Pa., May 26.—John "Shotgun" O'Hara, 55, a notorious police character, was probably fatally stabbed yesterday in a free-for-all fight in a North Scranton saloon.

O'Hara started a fight with two foreigners, the police say. Four men pitched on top of him, one stabbed him in the back several times and a chair was broken over his head. O'Hara managed to fell three of his opponents before he collapsed. He was taken to the State Hospital and is in a serious condition.

STRANGLED HIS CHILD

Moss Point, Miss., May 26.—Louis Smith, shipyard worker, is being held charged with the murder of his four year old daughter, Lulu, "I am ready to die now," Smith told the police. He said he had been ordered by God to kill his daughter and had carried out God's wishes. Smith strangled the child in view of several passersby, who were unable to prevent the tragedy. Smith has a wife and one month old baby.

ELECTRICAL EXPERT SHOWS LOCALS HOW

Problems Merchandising are Discussed by G. E. Representative

ATTENDANCE IS GOOD

Local Electric Company Arranges Lecture—Life of Edison Shown in Pictures.

Direct methods of advertising electrical appliances, salesmanship, window decorating and other points of interest to members of the electrical fraternity of the city were brought out in the talk given by H. H. Reeves, electrical expert from the General Electric Company, at the Chamber of Commerce auditorium last night.

The lecture was well attended by electrical men of the city and every plan of advertising, window display and salesmanship was gone into and every dealer and employe of the various electrical concerns of the city was shown how these various plans could be worked out to advantage in his particular store.

Mr. Reeves was held up in his arrangements for reaching this city and Mr. E. A. Feldtkeller, manager of the Alexandria County Lighting Company, under whose auspices Mr. Reeves appeared in this city, opened the session with a short and interesting talk on the rapid advance of the electrical household appliance. Mr. Reeves arrived during the progress of this introductory talk and immediately launched into his evening's program.

Mr. Reeves confined his talk last evening to a resume of the various contact points with the public. The first of these was preliminary considerations, embodying several points of paramount importance to the dealer opening a store in any city of the country.

The second, and one of the most important points, Mr. Reeves, stated, is the store advertising. He dwelt at length on all important mediums of advertising, newspapers, periodicals, bill boards, programs and all forms of retail publicity. The underlying principle of all advertising, stated the speaker, should be "Truth."

Then he went to the window advertising of the retail dealer. He gave examples of how store windows should be arranged, how backgrounds should be constructed, how window cards and price tags should assist in putting the goods before the public and all other forms of window advertising.

He took up the problem of the store, from an advertising point, showed pictures of a number of model stores, arranged according to the various recognized types of stores, and explained in detail how his company was ready at all times to plan such stores for dealers or prospective dealers.

He concluded his address by taking up the question of salesmanship and service and immediately following the talk, an interesting three-reel motion picture film was shown, depicting in detail the life and works of Thomas A. Edison, the recognized electrical wizard of the world.

North Carolina Farmer, Wife and Two Babies Meet Death in Fall Down Mountain

Asheville, N. C., May 26.—Roy Runnion, a Madison county farmer, his wife and their two babies, were killed late yesterday near Hot Springs, when their automobile plunged over a steep embankment on a dangerous mountain curve.

Jeter W. Massey, a passenger, was also killed. The accident occurred when Runnion tried to pass another machine on the curve. He drove too close to the outer embankment and the machine toppled over about 300 feet. Frank Runnion, 6 year old boy, had a miraculous escape. He remained in the car and escaped with minor injuries.

FIRE ON PROSECUTOR'S SON

Thugs' Bullets Meant for Hoyne, Chicago Police Believe

Chicago, May 26.—Detectives are trying to unravel the mystery surrounding two attempts Sunday on the life of Maclay Hoyne, State's attorney. From a post in a vacant house across the street from the Hoyne residence two rifle shots were fird at Francis J. Hoyne, 15 year old youth, who strikingly resembles his father. In connection with the attacks Mr. Hoyne revealed that since prosecution of the men charged with the murder of Maurice ("Moss") Enright, labor leader, was begun, he and his assistants had received scores of threatening letters and telephone calls.

"In the past seven years I have received hundreds of threatening letters," Mr. Hoyne said, explaining that many of them came when he began prosecutions after the race riots here last year; others apparently from radicals, were received about May day, and the most recent ones were connected with the English murder case.

ROB BANK OF $115,000

Thieves at Finleyville, Pa., Lock Unconscious Cashier in Vault

Pittsburgh, Pa., May 26.—The First National Bank at Finleyville, Pa., near here, was held up and robbed yesterday afternoon by six men who escaped, according to word received here by the police.

The bandits are said to have fled with one hundred thousand dollars in bonds and securities and fifteen thousand dollars in cash. John Jones, the assistant cashier, who was the only man in the bank at the time, is reported to have been knocked unconscious and locked in the vault while the institution was rifled. A sheriff's posse went in pursuit.

SENATE PASSES WAGE BILL

Washington, May 26.—The Senate passed without debate the Nolan minimum wage bill, fixing minimum salaries of government employes at $3 a day.

THE NEW TRAFFIC LAW

As will be seen, the new traffic law recently adopted by the Common Council, came up in the Board of Aldermen last night when the action of the lower board was concurred in. The new ordinance has been before the City Fathers for some time. The original law was presented in the Common Council about three years ago, and was finally adopted, but it hung fire in the Board of Aldermen. The new law having been adopted by both boards, it will be sent to the Mayor, after which it will be published officially in the Gazette.

While existing laws are substantially embraced in the new ordinance, it contains a number of other rules for the road, some in reference to parking vehicles and the turning of the same in the streets. The penalty for violation is more severe than that of the present law. The new ordinance is comprehensive, and anticipates almost every act on the part of automobilists which is liable to cause an accident.

The new law forbids boys or girls under certain age from operating motor vehicles unaccompanied by parents or others responsible for them.

During the past few weeks forty or fifty persons have been cited to appear in the Police Court for allowing their automobiles to stand on streets after dark without displaying rear lights. Bankers, doctors, lawyers, city officials and in one case a preacher have been among the delinquents. In most of the cases the accused have taken the matter in good part, and the number of those who have manifested any indignation has been small—in fact but two or three. A nominal fine of two dollars has been imposed in each case, merely to sustain the law.

It is hope dall interested will read the ordinances closely when it shall have been published and, like good citizens, conform to its requirements.

LAUDS SALVATION ARMY

My dear Mr. Editor:

You know that I am deeply interested in the work of the Salvation Army, with special reference to its work in this city, and the present appeal which the Army is making over the country to secure sufficient funds with which to do their work for the coming year. My attention has been brougght to some very interesting facts with referencee to the Army's work, the extent of it, its wide scope, its thoroughness and its universality. Thinking that these facts so far as they concern us locally would be of interest to your readers, I am taking the liberty of giving the following facts with the hope that they will enlist the active personal aid and financial support of your readers in the campaign which the Salvation Army is now making.

In passing, I want to take the opportunity to pay a very deserved tribute to the efficient and untiring work which has been done by Captain and Mrs. Hellwege, the officers in charge of this city. For them no effort seems to be too great, no work too hard, no service too menial in their endeavor to reclaim and bring back fallen humanity to its rightful high and exalted station as ambassadors of the King, our Saviour and our Redeemer. I trust that their efforts in our midst will be appreciated by our citizens in the present solicitation for funds which they are making.

The facts given below have been secured from the workers here, only in part, the balance from other officers of the Army.

The Salvation Army in Alexandria last year aided nearly 4,000 people of which number 41 were were women in their maternity home. The workers spent 765 hours in visitation among the poor and the sick and furnished over 3,000 meals to these unfortunate persons, besides furnishing clothing and shoes to nearly 100. Lodging was given free to over 400 who were without money or a place to stay. Then they were in almost daily attendance and rendering service unto the prisoners of this city. They held 1,000 meetings and preached to 20,000 people, 67 of whom signified a willingness to consecrate their lives to the service of God.

This is some of the work of the organization whose Home Service Fund we are asked to raise by contributing generously, and I take great pleasure in commending the work to your kind consideration and that of your readers.

Respectfully,
Louis C. Barley.

Presbyterians Vote to Unite

Charlotte, N. C., May 26.—Taking many members of the body by surprise, the Southern Presbyterian General Assembly, without debate, Monday adopted the plan of union with other Presbyterian and Reformed church bodies submitted by the joint committee Saturday. The vote was by acclamation, and few "noes" were heard. Moderator W. L. Lingle had called for discussion, without response.

Soon after the assembly had taken action it received from the Northern Presbyterian General Assembly, at Philadelphia, a telegram officially announcing the action of that body in approving the same plan of union.

The plan at present [illegible] church bodies, it was pointed out by Presbyterian authorities, and not merely the Southern and Northern [illegible] Immediately after the vote was taken today it was ordered that telegrams be sent the assemblies of the Northern Presbyterian Church, th United Presbyterian Church and the Reformed Presbyterian Church advising them of the action of the Southern assembly.

Last Monday a popular meeting in the interest of home missions was held, at which former Governor W. H. Mann, of Virginia, and others spoke.

WILSON PLAN FOR MANDATE

Members of Congress Express Bitter Opposition to Armenian Idea

Opposition to President Wilson's request to Congress for authority to accept a mandate for Armenia grew more intense yesterday.

Senator Lodge, discussing the President's letter with a representative of the Armenia Relief Committee, declared flatly:

"That is something that Congress will never grant."

William Jennings Bryan, immediately upon his arrival in Washington, made public a statement in which he said:

"Any mandate is impossible."

Chairman Porter, of the House Foreign Affairs Committee, told the representative of the Armenia Relief Committee he was unalterably opposed to the mandate.

Democratic leaders in the House stated there is considerable opposition on their side in Congress to the mandate proposal. They added that no effort will be made to force early action.

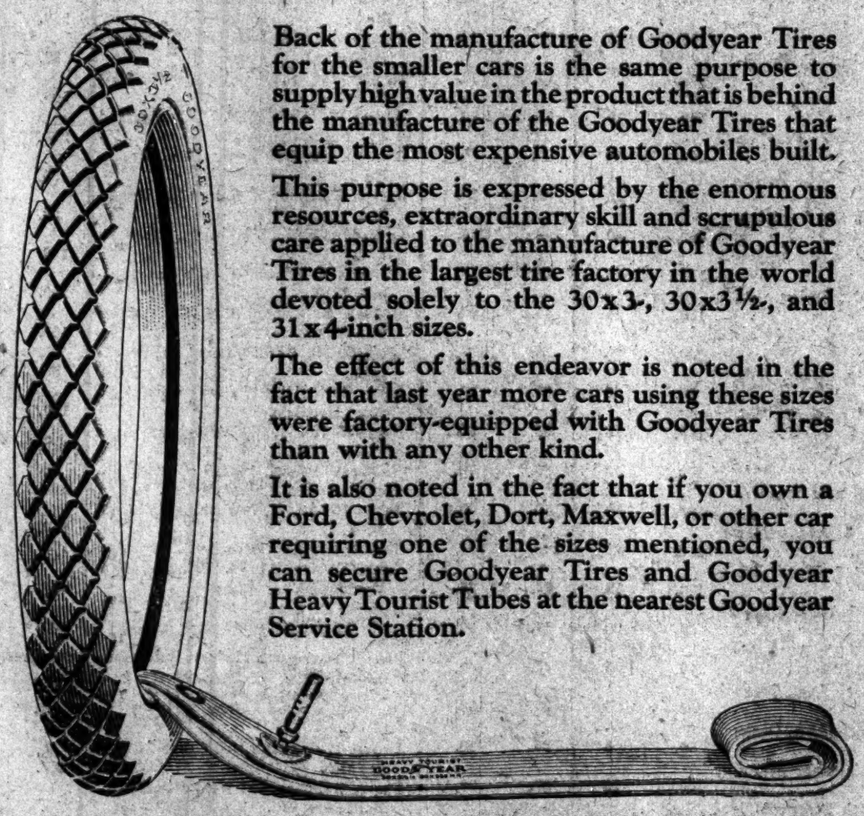
Big Value in Tires for The Smaller Cars



Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3½-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread $23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in waterproof bag $4.50

TO OUR COAL TRADE

Under present conditions our receipts of domestic coal are limited and prices are constantly changing.

We will be glad to enter orders; deliver the coal as promptly as we can secure it, and bill it to our customers on the basis of cost to us plus our usual gross margin, and this will have to be our policy at this time as everything indicates great uncertainty in the coal trade.

Our customers can be assured that we will do everything possible to keep the price as low as we are able to, consistent with quality, weight and service, and we shall be glad to have you entrust the business to us on this basis.

This also applies to any orders we already have from our trade.

PRINCE OF SPAIN

Don Jaime

Born stone deaf and dumb and now at 12 years of age hears and talks as the result of an adjustment in the neck. All the previous 12 years the most famous specialists in Europe had been appealed to, to give hearing and speech to the prince who, in that condition, could not qualify as heir to the throne of Spain. All the efforts were in vain, when finally an anatomical Adjustor in London, (here Chiropractor) by a dextrous chiropractic move took the pressure away from the great nerves to the ear, which up to that time had been paralyzed. Almost immediately the prince could hear and soon also began to talk. Such and similar things are being done by Chiropractors every day, only they don't get a chance at Royalty very often.

No matter what your disease always think of Chiropractic, it is harmless and does not make a drug or dope fiend out of you.

Is Your Blood Starving For Want of Iron?

Iron is Red-Blood Food—Nuxated Iron Helps Put Roses Into the Cheeks of Women and Gives Strength and Energy to Men

If you were to go without eating until you become weak, thin and emaciated, you could not do a more serious harm to yourself than when you let your blood literally starve for want of iron—iron that gives it strength and power to change food into living tissue, muscle and brain. Without plenty of iron in the blood, no matter how much or what you eat, your food simply passes through you without doing you any good—you don't get the strength out of it and instead of being filled with youthful strength and energy you are weak, nervous and all run-down. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks, then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have most astonishingly increased their strength and endurance simply by taking iron in the proper form. But don't take the old kinds of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like Nuxated Iron if you want it to do you any good, otherwise it may prove worse than useless. You can procure Nuxated Iron from your druggist on an absolute guarantee of satisfaction or your money will be refunded.

VIRGINIA NEWS

Arrangements are being perfected for a mass meeting, to be held at the city auditorium in Richmond this week for a discussion of rent problems. Increased rentals and threats of further increases have been receiving the special attention recently of Howard T. Colvin, of the Central Trades and Labor Council, and it is anticipated that he will have data and information of more than passing interest to disclose. It is stated that he has succeeded in interesting both city, State and Federal officials in the matter. Whether or not these officials have power to act or contemplate doing so will likely be brought out at the meeting.

The old time "rebel yell" was heard again yesterday afternoon when nearly 100 gray clad veterans of the civil war heard eulogies of those who had led them during the days of '61 to '65. The occasion was Memorial Day exercises held on the lawn of the last capitol of the Confederacy in Danville, where Jefferson Davis, after his flight from Richmond, gathered the remnants of his cabinet and delivered to them his last memorable address.

Giving it as his opinion that a husband has no right to interfere in the actions of his wife after a divorce has been entered, Police Justice Robinsons of Newport News, fined Lewis Ward $17.50 for assaulting Sam Friedberg on a street car several days ago while Friedberg was in his wife's company.

A SPLENDID TONIC

Says Hixon Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn., —"About 10 years ago I was," says Mrs. J. B. Gadd, of this place, "I sufferd with a pain in my left side, could not sleep at night with this pain, always in the left side. My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still. I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. I have no return of this trouble.

I feel it was Cardui that cured me, and I recommended it as a splendid female tonic."

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

A coroner's jury at Berryville was last night investigating the death of Charles Longerbeam, 21, son of J. B. Longerbeam, traveling salesman, who is alleged to have been killed in a dispute instead of dying of heart disease as announced last week. His body was disinterred and an autopsy showed his liver had been crushed. It now develops that while driving a team near Berry Ferry last week, Longerbeam had a dispute with a farmer relative to an old debt, and the latter is alleged to have struck him with a shovel. The authorities are acting on information given by John Shepherd, who says he was with Longerbeam at the time.

Reports from Roanoke are that Judge Samuel W. Williams, now of that city, former attorney general, is in an extremely critical condition, and that the members of his family have little hope of his recovery. Judge Williams formerly resided in Wytheville, where he enjoyed a lucrative law practice, and after his retirement from the office of attorney general he made his home in Roanoke. He has been in poor health, for the last three years, and for several weeks was under treatment in a hospital in this city. He was a Confederate soldier and served with fearlessness in the war.

The coal pier of the Virginian Railway at Sewalls Point near Norfolk, is idle, following a walkout of electricians, who quit in sympathy with shopmen who have gone out as a protest against action by the company against a union man. As all of the machinery on the pier is electrically driven, the walkout has seriously crippled coaling operations here.

Thomas Edwards, 14 years old, of Petersburg, was stabbed 3 times in the back by Bernard Wilkerson, a negro, Friday morning, while he was on his way to school, Thursday night the two boys got into an argument, and Friday morning the negro waited a short distance from the white youngster's home. Young Edwards' wounds are not of a serious nature, and physicians state that he will recover.

TRUCK PNEUMATICS DO NOT PUNCTURE

One phase of the use of pneumatic truck tires which has worried the truck owner to no small degree is the possibility of punctures.

"Regarding punctures," says W. V. Logan, manager of the pneumatic truck tire department of the United States Tire Company, "our records show that an owner need not have a moment's worry about them. I have records of trucks operated in practically every class of business, showing that pneumatic truck tires have been in service anywhere from one year to two and one half years, and during the entire time have never been off the rims.

"The rural free delivery division of the United States Post Office Department operates a fleet of trucks on pneumatics that is probably larger than any other in the country. They have had so few punctures that they no longer believe it necessary to carry spares.

"As for mileage, I find in our records reports on set after set of tires which have rendered better than 20,000 miles. We have records through the United States in practically every class of servivce of from 10,000 to 50,000 miles, and those of 40,000 to 50,000 were in extremely hard service. The United States Nobby Cord pneumatic is especially adapted for rough or muddy roads where good traction is essential."

HOUSEHOLD CARES

Tax the Women of Alexandria the Same as Elsewhere

Hard to attend to household duties
With a constantly aching back.
A woman should not have a bad back,
And she seldom would if the kidneys were well.
Doan's Kidney Pills are endorsed by thousands.
Have been used in kidney trouble over 50 years.
Read what this Alexandria woman says:

Mrs. H. A. Miles, 1209 Prince St., says: "My back pained so I couldn't do my housework without a great deal of misery. I had sharp twinges through the small of my back over my kidneys and I felt weak and languid. Mornings I just hated to get up. My kidneys were sluggish. I only had to use one box of Doan's Kidney Pills before I could feel I was getting better. The pains eased up and my kidneys were regulated. In a short time I was entirely cured of kidney complaint."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Miles had. Foster-Milburn Co.,

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

Conserve Your Energy With Electricity

Electricity is fast coming into prominence the country over as the greatest and most economical of all labor-savers. It conserves health, strength and energy and on hot summer days, does away with the usual unbearable heat of the kitchen. Your work is done in half the time necessary with the old time utensils and is done better than was possible a few years ago. Let us demonstrate to you.

Hot weather is fan time and although the hot days have been few so far this year, they are bound to come and probably hotter than usual. Place your order with us for a G. E., Robbins and Myers or Westinghouse fan today and be sure of delivery when fan time finally arrives. We carry the most complete stock of these three famous makes to be found in the city.

IRON ELECTRICALLY

Do your ironing quickly, easily and make the follow-up of wash-day a day of pleasure instead of dread.

BEAUTIFY YOUR HOME FOR SUMMER

Install in your living room a beautiful reading lamp-one of the most comfortable of household necessities.

Resolve to make your home the "Home Beautiful" this summer-when the doors and windows will be left open. Be proud of your home—ask us to help you in your selection of appliances that will prove a joy for a lifetime. We are headquarters for electrical appliances of all kinds.

DUPLEX Fireless STOVE

Cooks Entire Meal---Roasts Brown

Every housekeeper has her own way of preparing and flavoring different articles of food, and by following the Duplex directions for Baking, Roasting, Boiling, Stewing or Steaming, she can use her own recipe or recipes from any cook book and cook successfully in the Duplex Fireless Stove.

DUPLEX FIRELESS STOVE FEATURES

Deep Wells

A large cooking capacity, giving opportunity of cooking a larger quantity and a greater variety of food.

Cooking Vessels

More vessels and larger vessels than are furnished with the equipment of any other cooker.

Stove Legs

Can be attached to any of the Duplex Stoves and the cook will not have to stoop in putting food in stove or when taking it out.

Adjustable Catch

Stove cover may be securely or only slightly fastened, allowing more or less steam to escape to conform to the nature of the food being cooked.

Outer Stove Casing

Made of steel, eliminating warping or cracking. Casing strongly reinforced on inside so it cannot buckle.

Steam Vent in Cover

Releases the steam pressure, letting the excess of steam escape and as a result the Duplex Fireless Stove will bake and roast brown.

Free Yourself From The Pangs of Rheumatism

The Right Treatment Will Break Your Shackles.

You who are afflicted with Rheumatism know from experience just how excrutiating the pangs of the disease are. You know also, if you have had rheumatism for any length of time that there is no real relief to be expected from the use of liniments and lotions.

Rheumatism is a stubborn disease, and its pangs and pains cannot be wiped out as if by magic. A disease that is so full of torture and renders so many people absolutely helpless, is a deep-seated one; it is not on the surface, hence it cannot be reached by external, surface remedies.

Lotions, liniments and ointments applied to the surface may in some cases deaden the pain for the time being, but until you attack the disease at its foundation, you are making no progress toward a cure. Many forms of Rheumatism are caused by millions of tiny germs that infest the blood, and until the blood is absolutely freed of these germs, there is no real relief in sight.

If fact the longer you delay treating the disease through the blood, the further you are getting from ridding yourself from the disease. And because so many people treat the pain, and not the disease itself, is one reason why Rheumatism increases in severity year by year.

The most satisfactory remedy for Rheumatism is S. S. S., because it is one of the most thorough blood purifiers known to medical science. This fine old remedy cleanses the blood of all impurities, and is a sure antidote to the germs of Rheumatism. Being purely vegetable, without a particle of mineral or chemical in its composition, it works by eliminating and forcing out of the blood all impurities, acting as a tonic to the entire system at the same time. It has been used for more than fifty years, and scores of sufferers from Rheumatism give it unstinted praise.

S. S. S. is sold by druggists everywhere, and any of them will tell you that it is a thoroughly honest and reliable old remedy. You are invited to write our medical department for full information and advice about the treatment of your own case, for which no charge is made. NOTE ASKS MANDATE

President's Request to Senate Reopens League Political Discussions

President Wilson reopened the door for league of nations politics in the Senate yesterday when he sent to that body a request that the United States accept a mandate for the newly recognized but not yet defined nation of Armenia.

The President in his message presupposes—because of a resolution of congratulation to the new state adopted by the Senate on May 14—the entire willingness of the Senate to follow his wishes, but expressions among Senators on the Republican side and the lack of enthusiasm among the Democrats indicated certain delay and possible defeat of any such step.

epto-Mangan, The Red Blood Builder, Does Away With Languor

If you don't fel like doing things, you won't. If you wonder where some people get all their energy, the answer is from good food which in turn makes rich, red blood.

If your food does not give the nourishment and vigor it should, it is most likely that your blood is so weak that it needs a little extra help for a time to build it up to normal strength.

Thousands of men and women have been restored to vigorous health and lasting happiness by Gude's Pepto-Mangan. This beneficial blood tonic contains the very properties so vitally needed to improve the blood. Pepto-Mangan, if taken for a few weks, will enrich the blood and create thousands of the tiny red blood cells that are so necessary to carry nourishment and stregth to every part of the body.

Be sure to ask your druggist for 'Gude's" when you order Pepto-Mangan. For convenience it is prepared in liquid and tablet form, both possessing exactly the same medicinal properties. "Gude's" is the genuine Pepto-Mangan. Look for the name "Gude's" on the package.—Advt.
